

tracking number upload

wemalo offers a manual upload of tracking numbers for some shipping service providers (e.g. GLS). To do this, an upload button is displayed in DockManagement, which can be used to upload a CSV file for the respective shipping service provider.

Specification

NOT USED;Client Order Number;Tracking Number;NOT USED(Optional);NOT USED(Optional)

Please note: the first column is not used, but must still be filled (the import only goes to columns 2 and 3).

Example

```
21.09.2017;test 2;123456789;wemalo customer;1030  
21.09.2017;7531;987654321;Max Mustermann;1170
```

Where only the second and third columns are used!
