

accounting history

Via “Report booking history” you can view all transactions and export them as text documents.

You can select a specific “client” or include all of them.

Optionally, enter a period for the booking records you are looking for.

A screenshot of a form with three main sections. The first section is labeled 'Mandant' and has a dropdown menu with the text 'Alle Mandanten'. The second section is labeled 'Von' and has a date and time input field with a calendar icon, showing '08.02.2016 00:00:00'. The third section is labeled 'Bis' and has a date and time input field with a calendar icon, showing '08.02.2016 23:59:59'. All three sections are enclosed in red boxes.

Click on “Show time span” to view the booking records you are looking for or on “Export” to save them as a text file on your computer.
